The logo for Koberich Healthcare features the name 'Koberich' in a light blue, sans-serif font above the word 'Healthcare' in a larger, bold, light blue font. To the left of the text is a stylized graphic of a human head profile in white, with several overlapping circles in shades of blue, green, and yellow behind it, suggesting a focus on health and medicine.

Also we offer:

Resveratrol (3,4',5-trihydroxystilbene) is a polyphenolic compound found in grapes, red wine, purple grape juice, peanuts, root of Hu Zhang ,and some berries. It belongs to a class of polyphenolic compounds called stilbenes. Some types of plants produce resveratrol and other stilbenes in response to stress, injury, fungal infection, or ultraviolet (UV) radiation. Scientists became interested in exploring potential health benefits of resveratrol in 1992 when its presence was first reported in red wine leading to speculation that resveratrol might help explain the “French Paradox” . More recently, reports on the potential for resveratrol to inhibit the development of cancer and extend lifespan in cell culture and animal models have continued to generate scientific interest. Most resveratrol supplements available in the U.S. contain extracts of the root of Polygonum cuspidatum, also known as Hu Zhang. Red wine extracts and red grape extracts containing resveratrol and other polyphenols are also available in the U.S. as dietary supplements. Our Resveratrol 50% is made from Hu Zhang by using fermentation process under the GMP Standard quality control factory.

Resveratrol 50%

NEW & HOT INGREDIENTS

- ❖ Alpha Lipoic AcidHyaluronic Acid
- ❖ Coenzyme Q10(China&Japan Origin) Spirulina Powder
- ❖ Chondroitin Sulfate (USP/HPLC)Policosanol 60%
- ❖ Glucosamine Sulfate 2KCLOlive Leaf Extract (Oleuropein 35%)
- ❖ Glucosamine HCLVitamin K2, (MK4, MK7, MK9)
